Travis D. Severson

Cell: 602.460.5694 ◆ E-mail: anthem70@hotmail.com

Electronic Prepress Technician

Very knowledgeable in the printing industry with over 20 years of hands-on printing experience. Motivated and eager to learn anything new. I am productive, fast learning, hard working, reliable and have proven to produce high-quality work. Areas of strength include:

- ❑ File preparation / Platemaking
- ❑ Prinergy and trueflow workflows
- ❑ Imposition (press and digital)
- ❑ Computer / Machine repair and maintainance

Qualifications

- ◆ 22 years of Macintosh / PC experience.
- ◆ Trained in all Macintosh programs: Indesign, Designmerge VDP, Illustrator, Acrobat, Pitstop, Photoshop, Preps, QuarkXpress, etc.
- ◆ Trained in most PC programs: All Adobe, QuarkXpress, Word, Publisher, Fusion Pro VDP, Bartender etc.
- ◆ Technical knowledge of fonts / transparancies / layout and final folding / cutting.
- ◆ Kodak, Screen, Creo, Scitex, Agfa and Harliquin RIPs.
- ◆ Excellent skills at troubleshooting files and workarounds to get the job out.
- ◆ Xerox, Canon, Konica, Epson, HP, Fuji, Agfa devices.
- ◆ Low res mockups and high res color proofing.
- ◆ Some training in Web to Print coding.
- ◆ I have run a variety of presses (digital and offset), folders, and cutters.
